- **General Scholarship Application**

### **Value**

The value of the scholarship in 2019 is \$3,000 each. Scholarships open 1 December 2018 and close March 2019.

### **Payment**

The scholarship is a contribution towards the fees for one year of study. Where fees have already been paid and there is no other debt to Te Wānanga o Raukawa there are two options:

1. the scholarship may be applied to the fees and any refund due will go to the payer or
2. the scholarship may be paid directly to the recipient.

The scholarship is applied to fees and is paid in two instalments. The first portion is provided after confirmation of enrolment and after the 28 day withdrawal period. The balance is paid at the end of the academic year on confirmation of successful completion of the programme.

If the student is not progressing appropriately the second instalment will not be provided.

### **Conditions**

The scholarship is conditional on fulfillment of all study requirements. Where requirements are not met the recipient may be required to repay the scholarship to Te Wānanga o Raukawa in 2019.

If reapplying, the academic record for previous years will be checked for completion. Preference will be given to those who are progressing. Non-completions in the prior year may result in the scholarship not being approved.

Scholarships may not be available to students who are likely to receive any other major scholarships (\$3,000 or more). Applicants are to declare if they have or may be applying for other scholarships.
