# HEKE TE RANGAKURA KAIWHAKAAKO

## Diploma in Teaching (Bilingual)

**Enter a rewarding, dynamic career that offers flexibility, job security and opportunities to travel as you turn your passion for making a difference in the lives of our tamariki into a career.**

Take your place in the classroom and gain the skills to be able to teach our future generations with this primary school teaching programme from a base of mātauranga Māori. You will gain the necessary knowledge, attributes and skills needed to access and relay ngā taonga tuku iho.

Through eight weeks of field-based teaching per year you will learn to develop and apply the knowledge you are gaining plus various styles of learning in a classroom setting. The inclusion of iwi, hapū and reo studies delivered online within this tohu offer the graduate a range of transferable skills and is the first year towards the degree qualification, Poutuarongo Te Rangakura Kaiwhakaako.

This qualification is approved by the Education Council of Aotearoa, NZ and TeachNZ Study awards are available.
